

A silhouette of a construction worker wearing a hard hat and safety vest, standing on a complex network of vertical rebar and horizontal steel beams. The background is a light, hazy sky, creating a high-contrast scene. The overall image conveys a sense of industrial strength and construction.

**INFINITE FLEXIBILITY**  
**DEFINITE SUCCESS**

There is tremendous strength in flexibility, which is why South Bay Construction has built our reputation on it. As the largest open-shop contractor in the Bay Area with more than 30 years of experience, we've used our customized approach to build everything from high-rise offices, mid-rises and tilt-ups to retail spaces, casinos, schools, churches, and laboratories. We consistently bend over backwards for our clients so they don't have to compromise.
