Super Fruit. Super Good.

We use a blend of delicious and powerful Brazilian Superfruits in our Zola ANTIOXIDANT Smoothie. This berry-licious blend is chock full of purple açai berries (*ah-sigh-ee*), the fruit that

Zola does Smoothies right.

We're the Brazilian Superfruit people.

delivers more free-radical fighting antioxidants than any other fruit in the world. And because all of our ingredients come straight from the source, we lock in maximum flavor and nutrients.

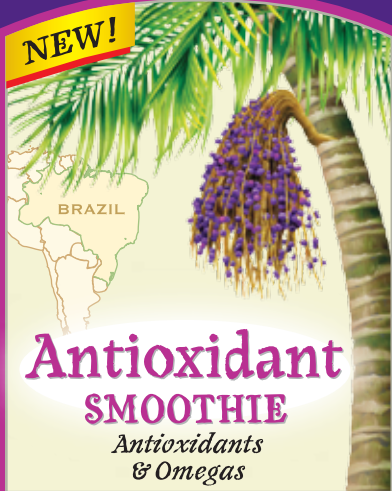

We first tried açai in 2001 and couldn't wait to share it with the world. Now we've discovered other delicious Brazilian Superfruits like acerola, graviola, caju fruit, and cupuaçu—used by generations of Brazilians for vitality and health-giving goodness. And we use sustainable harvesting practices so Zola is not only good for you, it's good for the planet.
