## Super Fruit. Super Good.

We use a blend of delicious and powerful Brazilian Superfruits in our Zola SUPERFOOD Smoothie. This super nutritious mix of free-radical-fighting açai (ah-sigh-ee), vit. B packed graviola (grah-vee-ol-ah), and anti-aging cupuaçu (ku-pu-ah-su), will feed your mind and body when you're on the go. And because our ingredients come straight from the source, we lock in maximum flavor and nutrients.

We're the Brazilian Superfruit people.

We first tried açai in 2001 and couldn't wait to share it with the world. Now we've discovered other delicious Brazilian Superfruits like acerola, graviola, caju fruit, and cupuaçu—used by generations of Brazilians for vitality and health-giving goodness. And we use sustainable harvesting practices so Zola is not only good for you, it's good for the planet.
